1. The DOW, Nasdaq, the S & P, AMEX and Chicago EX, etc., are the collective, observable, optimism of the American people and are being attacked by the Obamaistas. We must and will go on the offensive against their anti-US position.
2. "It will not be a journey if you plan it." Daniel Brush in Art & Antiques – February 2010, p. 80
3. Would Leeloo turn around?
4. "If you're working so hard, you are doing something wrong." From the movie; Nat Turner; Hollywood Detective

8. The bureaucrats' job is to facilitate the interaction between the reality of the individual and the absolute necessary fiction of society. The problem is that they assume the superiority of a protector and reverse their mandate.
9. The NAACP claims that there are racists in The Tea Party and they should be expelled. As usual, they do understand the Party. One of its foundation stones is the Freedom of Speech and with this freedom comes its verso, the Freedom to Listen. It seems that only ones who are listening to the racists' in the Tea Party are the NAACP and the Left.
10. Taken from the movie Kung Fu Panda spoken under the Peach Tree by Master Oogway to Po: "Yesterday is history, tomorrow is a mystery, but today is a gift. That is why it is called the present."
