Dear Members:

As of April 1<sup>st</sup> Your Cooperative is now marketing some Organic milk and exchange milk to Upstate Farms Cooperative. Sales to other cooperatives such as this required us to sign a waiver of claims under PPMB. This sale and exchange is another portion of our commitment to our members to help return high premiums and keep hauling cost down. As new contracts are acquired we will keep you updated of the details.

Thank you

Donald E. Gilman
